Project Description & Location

Terms & Conditions

The Watershed District shall:

1. Determine application priorities in consultation with the Sub-District & Board staff.
2. At the request of the applicant, pending availability of systems, AWWD staff will deliver and install one of their livestock watering systems described below.
3. Limit eligibility to one system/landowner at any time.
4. Watering systems will be provided for a maximum of 2 months at a cost of \$200 per month.
5. Notify the applicant of the removal date of the system upon delivery.
6. Install and remove the system.
7. Provide service calls on a cost recovery basis.

The Applicant shall:

1. Provide access to project for installation, maintenance, removal, and tours.
 2. Indemnify and save harmless the District from any and all actions, claims, suits, damages, injuries, or other loss no matter howsoever arising as a result of the construction, operation or maintenance of the project.
 3. Grant the watershed district the right to use any information related to this project for educational or promotional purposes.
 4. Pay \$200/ month rent for the demonstration, maximum trial rental of 2 months.
 5. Pay cost recovery for service calls of equipment.
- Subject to the above terms, the agreement shall become effective and shall be binding upon both parties.
 - If either party fails to meet the above mentioned responsibilities, the agreement may be terminated by the party via written notice.
 - The annual projects resulting from this program will be subject to funds appropriated.
 - Technical service will be subject to the availability of staff. The district reserves the right to establish priorities for providing such services and assistance.
 - Failure of Landowner to meet Landowner Responsibilities may negate him/her from other Watershed District programs.

I hereby declare that I have read the conditions of this policy, and that I agree to abide by the terms of the policy. I further agree to cooperate to the fullest extent with the Watershed District Board in completing and maintaining the project as outlined.
