*Assiniboine West is looking for a motivated individual to join our team in one of our three offices: Miniota, Inglis, Oak River*

### OVERVIEW OF POSITION

The Assiniboine West Watershed delivers land and water management programs to stakeholders within the district. The Resource Technician will carry out a variety of responsibilities that change seasonally. The primary role is to deliver AWWD programs on agricultural lands across our district, under the guidance of the Regional and General Managers.

### DUTIES & RESPONSIBILITIES

- Shelterbelt program delivery
- Data collection
- Project monitoring
- Transporting equipment
- Maintaining District Assets
- Collecting soil and water samples
- Operation of ATVs, small machinery, and tools
- Assist with communication and promotion
- Other duties as assigned

### QUALIFICATIONS

- Self starter, enthusiastic personality geared towards personal and professional growth
- Excellent planning and organization skills
- Verbal and written communication skills, willing to undertake public speaking
- A valid Class 5 Manitoba Driver's License
- Understand the rural grid based public land survey system
- Willingness to learn new skills
- Ability to maintain good working relationships and to deal with the public

### ASSETS

- Competent with ArcGIS Online, and Microsoft office
- Capable of using GPS and RTK units for survey purposes
- Capable of operating all-terrain vehicles
- Practical understanding of ecological restoration and agricultural practices.

### KNOWLEDGE & EDUCATION

- Post-secondary education in a related field (Resource Mgt, Environmental or Agricultural Studies)
- Awareness of conservation and farming practices an asset

### COMPENSATION

- The expected salary range for this position is \$55,000 - \$70,000 annually, based on education and experience
- We offer a comprehensive benefits package including health, dental, vision, pension and company provided smartphone and plan
