Mailing Address (Box #, Town, Postal Code):	Total Farm Land Base:	Acres
Project Legal Descriptions:		
Total Project Acres:	Livestock species and # of Head	
	Acres	

Eligibility Requirements

Projects must focus on protecting native grasslands through the control of invasive species using targeted herbicide application or mechanical control methods.

- This is **NOT** a fence maintenance program.
- **ONLY** available in Arrow Oak and Little Saskatchewan River Watersheds. *See map on page 3.*
- Applicants are **REQUIRED** to have a valid Environmental Farm Plan.

Priority consideration will be given to:

- Native grasslands
- Grasslands protected under conservation easements
- Sites with established grazing management plans

Priority of control methods:

1. Mechanical mowing methods over herbicide spraying methods
2. Targeted herbicide application (wick applicators or spot spraying)

Non-target herbicide application is not eligible.

Detailed project description (ie. area to be managed, grazing plan, map):

Estimated costs for project (equipment, materials and supplies):

Terms & Conditions

The Watershed District shall:

1. Determine application priorities in consultation with the partnership advisory committee and come to agreement with the landowner.
2. Provide 75% of costs (labor, equipment use, and contracted services) up to a maximum of \$80/acre for mechanical control and \$45/acre for herbicide control.
3. Reserve the right to reasonable access to project areas for tours or to inspect the condition of the project site.

The Applicant shall:

1. Provide reasonable access for inspection, and tours.
 2. Provide all paperwork required. Proof of Payment is required using one of the following methods:
 - a. Transaction statement (bank or credit card)
 - b. Cancelled cheque (front and back)
 - c. Electronic payment confirmation (EFT or wire transfer)
 - d. Receipt from provider indicating a specific invoice has been paid
 - i. Transaction statement may be required to verify invoice payment
 3. Not alter, change, remove or modify the project without written consent of the District.
 4. Protect and hold the District harmless from any and all actions, claims, suits, damages, injuries, or losses no matter howsoever arising as a result of the construction, operation or maintenance of the project.
 5. Grant the watershed district the right to use any information related to this project for educational or promotional purposes.
- Subject to the above terms, the agreement shall become effective and shall be binding upon both parties.
 - If either party fails to meet the above mentioned responsibilities, the agreement may be terminated by the party via written notice.
 - Technical service will be subject to the availability of staff. The district reserves the right to establish priorities for providing such services and assistance.
 - Failure of Landowner to meet Landowner Responsibilities may negate him/her from other Watershed District programs.
